HIP : INVESTORSM
● Human Impact + Profit

HIP Investor, Inc. envisions a world where all \$140 trillion in global investment capital generates attractive financial returns and benefits society at the same time. HIP advises leading companies to innovate and create this value – realizing results in equity, debt, real estate and microfinance for HIP investors. An experienced entrepreneur, strategist and investor, HIP's founder has served Fortune 500 clients at McKinsey & Co., social-change leaders at Ashoka, and entrepreneurs at Omidyar Network.

 **svt** group

Social Venture Technology (SVT) Group harnesses the potential of markets to create wealth and a sustainable, equitable planet by helping clients measure, value and communicate their social and environmental impact. Since 2001 SVT Group has led the development of techniques for valuation of these intangibles with clients globally. SVT works with investors, corporations and social entrepreneurs to help ensure they deliver on their mission and to their stakeholders.
